

Primary Care Physician (PCP) Election Form – Specific for *HMO Navigate Products*

To complete the installation process, all enrolling members must supply UnitedHealthcare with a primary care physician (PCP). Please note that each member within a household may have a different PCP.

Each family should use one form when providing this information. This is **mandatory** for all enrolling members and the insurance coverage will not be installed until we have this from all members.

The PCP must be from one of the following categories: Family Practice, Internal Medicine, Pediatricians or General Practice

The role of the PCP is to manage and direct the member’s care by referring to other physicians or specialists within the network. **There is no coverage to other physicians or specialists without a referral from the PCP.**

Employer Name: _____

*Member Name (every enrolling member needs to be listed)	*PCP Full Name	*PCP Full Address	*PCP ID #	*Current Patient (Y or N)

**All 5 columns must be completed for every enrolling member, blank columns will cause delays*

How To Search for a Primary Care Physician (PCP), PCP Address & PCP ID #:
